

HEALTH PLAN OF NEVADA
A UnitedHealthcare Company

October 18, 2016

Attention Providers:

Health Plan of Nevada (HPN) pays for annual wellness visits for our Medicaid members over the age of 21 for provider types 17, 20, 24 and 77. In order to ensure correct payment of the claims, please use the following codes on the claim form:

- **G0438 annual wellness visit; includes a personalized prevention plan of service (pps), initial visit**
- **G0439 annual wellness visit; includes a personalized prevention plan of service (pps), subsequent visit**

These codes can be billed once every 12 months (365 days) per recipient only for recipients over the age of 21.

Please contact your provider advocate for any related questions.

Thank you.

Good health takes a good plan.SM
