The following steps will help you identify HPN members and determine their eligibility and plan coverage.

A member's eligibility needs to be determined before services are rendered. Every member and dependent are issued an identification card. All information on the card serves as identification; however, it does not guarantee eligibility.

For verification of eligibility and benefits, please contact Member Services IVR (Interactive Voice Response) system at **(702) 242-7724** or **(800) 768-2808** or utilize HPN's online provider center. **See Section 7.4 for details regarding the Online Provider Center.**

Primary Care Providers can verify assignment by referring to their monthly empanelment report issued by HPN. If not found, call Member Services Interactive Voice Response (IVR) system for verification of eligibility and primary care provider selection for HPN and Medicaid and Nevada Check Up members at **(800) 768-2808**, or utilize HPN's online provider center See Section 7.4 for details regarding the [Online Provider Center](#).

Please Remember any payment for covered services is subject to the member’s eligibility at the time of service, compliance with the managed care program, contractual limitations/exclusions and coordination of benefits as set forth in the Evidence of Coverage.
